

FEARLESS PLAYER STORIES

NEYMAR JR.

With a bag of tricks that is second to none, Neymar Jr. has the ability – and the audacity – to put any defender on their backside. When the final whistle blows, he takes that same flair off the pitch, blurring the lines between sports, culture, and fashion.

“Fearless is having fun without worrying about the pressure.” – Neymar Jr.

MEMPHIS DEPAY

Memphis is a player with big moves and an even bigger personality. His power and technical ability make him a constant threat to the opposition goal, with a flamboyant playing style that matches his style off the pitch. When he's not balling, he's rapping.

“Fearless is to be blind and deaf to the world.” – Memphis Depay

KINGSLEY COMAN

Kingsley Coman is the definition of “grew up fast, blew up fast.” Only 16 when he first stepped onto the scene, he’s been on the biggest stage ever since. Ten seasons as a pro. Ten league titles. One Kingsley Coman.

“Fearless is to be brave enough to take risks regardless of your age.” – Kingsley Coman

CHRISTIAN PULISIC

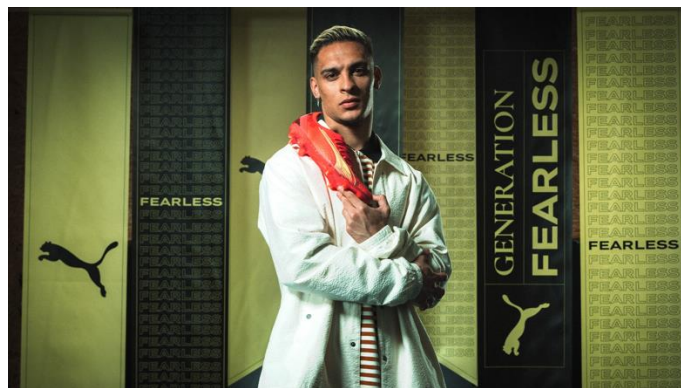

Aged 16, Christian left his hometown of Hershey, Pennsylvania to join Borussia Dortmund and pursue his dream of playing in Europe. At 23, he’s already a European champion with his club and a captain and fearless leader for his country.

“Fearless is following your dream even if no one took that path before you.” – Christian Pulisic

FRIDOLINA ROLFÖ

You can always count on Fridolina. A tireless winger who can also play as a striker, she's proven herself in three different leagues, six clubs, and the national team, delivering quality performances week in and week out – no matter the time, pitch or place.

ANTONY

Antony lets his game do all the talking. His skill and the ability to change direction at high speed make him unpredictable and, at times, unplayable. With all the flair you expect from a Brazilian forward – and more, he's one of the most exciting young players in the world.

"Fearless is leaving home to pursue your dreams." – Antony

NIKITA PARRIS

On and off the football field, nothing fazes Nikita Parris. She openly challenges racism in football and society and has a grassroots program that helps girls from her native Toxteth follow their dream of becoming professional footballers.

“Fearless is being unapologetic of who you are and what you believe in.” – Nikita Parris

SARA BJÖRK

Every team needs a Sara Björk, but only the best teams have one. Wherever she’s played, she’s won major honors, showing no signs of slowing down. In November 2021, she became a mother, and only four months later, she was back on the pitch to lead the Iceland national team.

“Fearless is about proving you can have both a career and a family.” – Sara Björk

ANTOINE GRIEZMANN

Whatever Antoine Griezmann does, he does it the Antoine Griezmann way. A reigning world champion, he was the man of the match in the final, scoring a goal and setting up another. Full of confidence and joy, he avoids cliches and forges his own path in and beyond the game.

“Fearless is believing in yourself even when others don’t.” – Antoine Griezmann
